Dear Parents/Guardians

### **New pupils in our school**

Best wishes to all the new boys and girls who have joined our school. We extend a warm welcome to: Isabella

### **E-payment requests**

You may receive a general request for online payments to your email or mobile device. Everyone in the school receives this. If you have already paid for the listed items, then ignore it. If you have not paid for any of the listed items, you simply tick the items you wish to pay for and proceed with your online payment. The school has a full record of all payments received and overdue and sends out each term a statement of payments overdue and paid. So, if you are up to date with payments due all is well. Thank you for your co-operation.

### **Online payments**

If you have not received any link for paying for items online, please let the school office know your child's name and class and what online payment you wish to make and a new online link will be sent to you.
