10th June 2026
Dear Parents/Guardians

Additional requirements

Some items still need to be purchased and labelled by parents in advance of their child starting in their new class in September. These additional requirements are now fully listed for each class on our school website www.nurneyns.com under the 'Parents' tab. A copy will also be included with your child's Summer Report.

E-payment requests

You may receive a general request for online payments to your email or mobile device. Everyone in the school receives this. If you have already paid for the listed items, then ignore it. If you have not paid for any of the listed items, you simply tick the items you wish to pay for and proceed with your online payment. The school has a full record of all payments received and overdue and sends out each term a statement of payments overdue and paid. So, if you are up to date with payments due all is well. Thank you for your co-operation.

Online payments

If you have not received any link for paying for items online, please let the school office know your child's name and class and what online payment you wish to make and a new online link will be sent to you.

Dates for your diary

- Meet and greet for new junior infants – June 17th and August 31st (details have been emailed to families)
