Nurney GAA Club Development Forum

NOTE: CHANGE OF DATE

Monday 30th March

@ 7:30pm in Nurney GAA Clubhouse

HAVE YOUR SAY! Nurney GAA will host an open night to discuss the development path for our club facilities in the coming years.

At this meeting we would like to hear from members and the wider community your ideas and views on the development path the club should take over the next 10 to 15 years. The event is an opportunity for all to suggest ideas for improvements, both big and small, that you think the club should consider and investigate to enhance the playing and recreational facilities. All ideas will be considered and discussed in an open forum and we encourage you to attend and help shape the direction of the club for future generations.

All members and the wider community are encouraged to attend.

Wednesday Note and school information also available
